MD RASEL HOSSEN

FONT-END WEB DEVELOPER

ABOUT ME

I am a student pursuing a degree in computer information systems with the goal of becoming a Web Developer .However my experiences and knowledge is very limited on the subject .
While I believe I would greatly enjoy a career as a Web Developer, I never really stopped to wonder how my everyday life would be like.

OBJECTIVE

Looking for a job and want to associate with an

Organization to provide my skills. Hard working and

Eager to get opportunities to improve myself

Professionally and contribute to the organization

With quality services.
